- Thanks to efforts of the Fire Marshal's Office, Chief Sabine ruled a LODD
 - A big step forward for the Fire Service
- Level I instruction this fall semester w/ LRCC Students/Interns – Chief Jones is passionate about this as he is hosting interns that are not qualified and cannot access classes. Chief Buxton offered information from his contacts with the Academy, which was not necessarily helpful. They have a Commission meeting tomorrow (FST).

Report of the Executive Director: (Lemire)

- I am still working on some type of virtual Candidate event for October 8.
- The Red Jacket has been reserved for our 2021 Professional Enhancement Weekend on Nov. 12-14.
- No word yet from the IRS on our non-profit status. Still waiting to hear Accountant will be checking.
- I am almost done with the By-Law update. I've been working on purging and reconciling the membership list and all of the invoices.
- Crooked Mountain is not closing after all. Does this change our plans?

1st Vice President's Report (Sitar)

- He still has the apps for Credentialing. He will contact Ty Gagne and Margaret Byrne to review the apps. He has 20 applications.

- He spoke with Nick Mecuri on the EMT license plates. Nick had little information on the proposal or where the proceeds would go. They were just gauging our interest. Discussion ensued.

Sgt. At Arms Report (Emanuel) – no report

Scholarship Committee (Toomey)
